

Membership Card

An alternative to the traditional plastic card

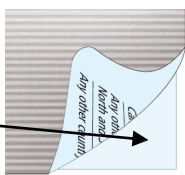

FEATURES
Excellent surface for laser printing
Prints up to seven colors
Thin and ultra light
Tear and humidity resistant
Can be easily affixed

BENEFITS
→ Infinite customization possibilities
→ Creative and attractive designs
→ Feeding cartridge can hold more sheets in order to get better productivity
→ Helps to keep the image excellent
→ Affixing available on a wide variety of products (Business forms, envelopes, etc)

THE COMPETITION
Card is glued onto the form
Permanent adhesive residue
Difficult to remove: risk of tearing carrier sheet if the card has been applied for a long time
Limited shelf life : → Smaller volume → Higher cost
Longer delivery times

SupremeX's CARD
→ Card is laminated onto the form
→ Clear backer—no adhesive residue
→ Easy to remove: carrier sheet remains intact even if the card has been applied for a long time
→ Extended shelf life : → Annual volume → Lower cost
→ Fast and reliable delivery

Applications :

- Associations, professional corporations
- Financial institutions, Insurance companies
- Educational services (universities, schools)
- Municipalities (access cards for public services)
- Companies offering discount coupons
- Sporting and health clubs
